*United States v. Jacob George*, Criminal Action No. CCB-13-0593

Dear Sir or Madam,

This court has received a request for materials from an inmate housed at your facility. This material is being sent to you directly so that access can be made available to the inmate through your office or appropriate staff. Your assistance is appreciated.

This arrangement has also been explained to the inmate under separate letter mailed directly to him.

Sincerely,

*Bonnie Jacobs*
